

Father Hennepin June 9 - 11, 2023

FESTIVAL HISTORY

Historians report that Champlin is the site where Father Louis Hennepin first crossed the Mississippi River in 1680. Today, the community celebrates its heritage with the annual Father Hennepin Festival.

Each year, on the 2nd weekend in June, a three-day community celebration is kicked off with a parade, amusement rides and live music. Youth and adult activities run all weekend long and culminate with a reenactment of Father Louis Hennepin crossing the Mississippi River.

The 2023 Father Hennepin Festival is scheduled for June 9 -11. Don't miss out on the fun!

GETTING INVOLVED

Sponsorship is a critical element in the success of our community festival. Without the generous support of local businesses like yours, our community celebration could not continue to provide quality events and activities.

We are very excited to have a Father Hennepin Festival Sponsorship Program. Through this program, you are encouraged to support your community celebration and take pride in your local event. In addition to doing something great for the community, you will receive advertising and exposure for your club or business.
